Career Objective

Motivated **Full Stack Developer** with strong expertise in **Python**, **Django**, and **RESTful APIs** for backend development, and hands-on experience with **React** and basic **Next.js** for building dynamic, user-focused interfaces and implementation **Secure Authentication** Skilled in working with **MySQL** and **PostgreSQL** to design efficient, scalable database systems. Committed to delivering **high-quality, end-to-end web applications** and growing as a **full-stack developer** within innovative, fast-paced engineering teams and agile team.

Education

B.Sc. in Computer Science & Engineering Green University of Bangladesh 2022 – 2026

- Current CGPA: 3.30

Projects & Experience

StayBangla Hotel Management System [Project github](#) | [Frontend Live Link](#) | [Backend Live Link](#)

- Developed Django REST APIs for room booking, authentication, and admin dashboard.
- Integrated PostgreSQL for data management and React for the frontend.
- Focused on secure login, CRUD operations, and clean backend architecture.

MultiCancer Risk Detection Tool

[Project github](#) | [Frontend Live Link](#)

- Symptom based multicancer Risk detection tool Django.
- Features: gain cancer knowledge+provide patient symptom get the risk.backend apply machine learning model riskfindout breast cancer, liver cancer and lung cancer.

Event Management System

[Project github](#) | [Live Link](#)

- Web app for managing Events.This application develop python django MVT pattern.
- Built with Django , PostgreSQL database.
- Authentication system. rollbased access

Technical Skills

- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React (Hooks, Redux),next.js(basic)
- **Backend:** Python, Django, Django REST Framework
- **Databases:** PostgreSQL, MySQL, SQLite,Mongodb,Firebase(basic)
- **Tools:** Git/GitHub, Linux, VS Code,Jupyter-notebook,Postman
- **Soft Skills:** Problem Solving, Teamwork, Fast Learner

Achivements

Programming Hero

2024

- Completed professional course focused on Django, REST API, and deployment.
- Certificate: [View Credential](#)

Interests

Python Programming • Web Application Development • Open Source Contribution • Problem Solving
